THADDEUS MATHEWSON-WOOD

WEB DEVELOPER

PROFILE

I am an aspiring web developer looking to advance my career. Beyond my technical skills, I am highly social and enjoy collaborative works with a team. I can thrive in social environments as well as personal ones.

WORK EXPERIENCE & ACCOMPLISHMENTS

Web Developer   2022 - PRESENT
Self Employed

- I've developed professional websites for myself and others using mainly JavaScript, HTML, and CSS. I am fluent in these programming languages, and I am good at web design.

CompTIA A+ Certification
Skills in Information Technology

- Knowledgeable in a broad range of topics, including hardware, software, networking, operating systems, troubleshooting, and security.

CompTIA Security+ Certification
Skills In Cybersecurity

- I am studying to achieve the Security+ Certification in 2025, before graduation.
- Shows an understanding in network security, threats and vulnerabilities, cryptography, and risk management.
